Hello my name is Pharaoh Lewis :Graphic Designer
Location: Atlanta,GA ||Learning unity as well as python

About me

I'm looking forward to using coding to boost my graphic design and overall customer website experience.
One of my goals is to make a basic website using python.

The following graphics are all designs I created for clients

Project Name: Eat Clean Cafe https://gazelle-sbzl27.my.canva.site/eatcle_ancafe

Scope of work: Logos and website preview

Project Name: PupKatt
Owner and apparel designer. www.PupKatt.com

Project Name: Rico's Automotive
Scope of work: Provided the logo designs.

Games I enjoyed: Metal Gear Solid,Your only move is hustle and Zelda Breath of the wild
